Telegraph Printing House, Houston—P. W. Cave

To His Excellency, F. R. Lubbock, Governor of Texas.

The Undersigned would most respectfully solicit your Excellency's aid in a matter, which will be explained in the following exposition; and, he trusts, the circumstances may be regarded as affording a satisfactory apology for this appeal to your known benevolence.

About 7 months ago, my son John M. Débrelle, then living in Grimes County, joined the Army without my knowledge or consent, and at that time was not more than 16 years & 6 months old - He was at Virg.a Point several months in Capt Owens Comp.y before I ascertained where he was.

Subsequently, he, with others, were transferred from Capt Owen's to Capt Whited's Comp.y of mounted Men at Galveston, where he has been stationed until very recently - About two months ago another son of mine joined the Army, and is now at Hempstead with Col Carter - I then determined to make an effort to have the one at Galveston transferred to Carters Regiment, that the two brothes might be together. I wrote to Col Debray & to Capt White, respectfully requesting them to transfer my son to Col Carter at Hempstead, if that could be done; and not being aware of any particular form in which my application should be made, I simply stated the facts as they existed. Debray & White rec.d my letters from my son, to whom they were sent. Col Debray told him he could do nothing for him, but that, if I would write to Gen.l Hebert, and ask him to order his discharge for the reason that he was under age, (he being only 17 yrs & 2 months old) the Gen.l would have him discharged, and he could "then do as he liked" I then addressed a respectful letter to Gen.l Hebert, requesting his discharge. My real object in doing so was, not to deprive the County of his services, but to have the two young Motherless brothers together. A letter just received from my

Son
~~States~~, dated 22d ult. states that he has not been discharged, and so far as he knows, no order for his discharge has been given – He, with Capt White's Comp'y would, as he stated, leave Galveston on the 23d inst, and would Rendezvous at Houston or Harrisburg for a few days, and he is now, I suppose, at one of those places.

I have three Sons in the Army, all I have. Their ages are, 21. 19 & 17 years – They contributed to my support, and no one but myself, can imagine the personal sacrafice I make in giving them up – Bending under the weight of years and infirmities, I have come to Austin to try to make a support for myself, whilst my Sons are fighting for the liberties & independence of our Country. Under these circumstances, it is but reasonable that I should be gratified in having my two young Sons together – They all three urgently request me to effect this object if practicable – If my Son in Waller County Texas Infantry, should be discharged, he will immediately report himself to the Capt at Hempstead & be with his brother –

My letter to Gen. Hebert could not have been rec'd; had it been, he would not have refused to order the discharge of the boy for the reasons assigned.

Gen.l Hebert

Dear Sir.

The object of this is, to request the favor of you to have discharged from service, my Son John. M. Dibrell, a private in Capt White's Company, Dibrell's Mounted Battalion at Galveston. I ask this discharge for the reason that he is under age, being only seventeen years old the 21.st day of last month. My Son joined Capt Quinn's Comp.y without my knowledge or consent, and was for several months at "Virginia Point" before I knew where he was — Recently I learn that he has been transferred to Capt White's Comp.y I have applied to Col Debray & Capt White to have him discharged, but they say they can do nothing in the case, but advise me through my son, to apply to you, and that you will have him discharged — I respectfully request that you will order his discharge at your earliest convenience, lest he be removed from Galveston before it can be effected.

I am Sir, with great respect

Sir

In obedience to special Order No —,
it is my duty to make a report once a week of my
proceedings. The following report is respectfully submitted.
I am stationed in Montgomery County some 15 miles
west of the Big Thicket, where the principle part of
my work is, my reasons for stationing my Company
as far from the field of operations, is that I could
procure provisions on as cheap a plan that I could not
procure a supply within short hauling and expense,
and I can from here send out my scouts
very easy, and not be discovered. I have succeeded
in catching one man, who belongs to Capt Daniels
A Illinois Regt. he left Galveston the night
Lincoln left it for Washington; we have our
Flag flying here
a great many more with Camps sooner than they would have,
Then is no doubt but our presence in this County has
and will do good. I have had spies in the Big
Thicket for several days, and they have just come in
and made their reports, from what they can find out
there is a good many deserters in the Thicket,
variously at from 50 to 150. The scouts have seen
the camps of several parties Consisting of seven or eight.
It will be very hard to catch them. I shall start some
men tomorrow to watch some watering places & Ferry
on the River. I want all of the citizens to be quiet.
to give me information for they have been threatened
by the deserters. I have seen a great many citizens
with whom I am acquainted, and they will join me

To Capt. G. W. Owens:

Dear Sir- The undersigned ~~having~~ requested to raise a Mounted Rifle Company for Confederate service. He has conversed with a number of young men in his neighborhood who are not only willing but anxious to enlist in the cause of their country, but who have failed to go from an unwillingness to join a company whose officers they are unacquainted with, and it is at their solicitation that the undersigned has procured the commission he now holds. It is impossible for him to commence and complete the organization of a company without he can obtain a leave of absence for that purpose.

The undersigned would further state that John D. Taylor wishes to cooperate with him in raising the contemplated company. They, therefore, mutually join in requesting a furlough for each for the space of seven days commencing December 16, 1861, with authority to apply for extension of time.

Sir

In Obedience
to Orders I was Detail with thirty Men
to at place Known as the Big-thicketts in
Montgomery County for the purpose of Driving out
and Capting Some Deserters Said to be there
I have Been here for some time and I find out
that I Can accomplish very little without
More men the Country is so large and thick
With Cane and under Brush that it is most
to impossible to Come up with the Deserters for when
I Move to one point they go to another there is a
great many Crossings and trail which they travel
Backward & forwards that I find after repeated
efforts when I move to one they go another and
when I drive them from one thicketts or Copse of
Country they will Cross the river and find shelter
in Another thicketts there is a good many Deserters
& Conscripts in the thicketts the thicketts is some
thirty Miles long and Some fifteen or twenty miles
wide Some Say there is two-hundred Persons in it
but I Cannot think there is So many I suppose from
What I Can find out there is one-hundred they
have no organization but Camp and Stay in the
Swamps in Squads from five to fifteen and live
upon what they Can Kill with their guns they are
well armed the people in this County is afraid to
give information about them for they have been threat
en with Death if they give information against them

annimy

They (the Rebels) are very x that the Deserters should be Caught they Kill off the Stock and Rob & Steal what they may want I have found Some men who I Can trust will give me information privately I have them at work for me and if I Can get more men the Chances of My Capturing Some of them at least will be much Better under these Circumstances if you Could Send me the Ballance of my Comp.y I Could do more service and Service which I think would be of great and lasting benefit to the County at large now is the time to Stop the Deserters from gathering in the District if there is not Something done this fall or winter at Regiment will not Be Sufficient to Secure for they will or Squads and will do it great deal of harm to our Cause under these Circumstances I would once more ask you to Send My Comp.y for with what men I have I Can hardly Keep the Rebels in Subjection if Cant Comply with My request Send the Ballance of the Comp.y as Soon as possible I have the honour to remain your Obedient Servt

1.

Thomas D Pace was duly sworn as a witness for the Prosecution.

Question. State all that you know about the charges which you have been read against Private George Evans?

Ans. I heard quarrelling while I was near the fire. Mr Evans and Mr Boone were the parties. Both were very boisterous. Mr Evans, when I went up appeared to be working the most fun. After standing there awhile, I saw that Mr Evans had a knife, a pocket knife, which he was using to pick his teeth. I saw no demonstration towards using knives made by either party.

I do not make this application capriciously or that I am not willing to serve under any officer under whose command I now am but that I have no horse and am totally unable to provide myself with one. The reason for my being without a horse is that My dwelling House burned down and consumed every particle of furniture and wearing apparel that my family had and I not they had any means of providing Clothing necessary for their comfort except through the sale of my horse. I have been in your company since 1862, I have endeavored to perform all the duties required of me, with what success I leave for you to say

WAR DEPARTMENT.
RECORD DIVISION

Office of Bureau of Conscription
Dist. Dept. Texas, &c.
Houston, Texas 20th 1863

Captain

I respectfully apply for the detail of Private B. F. Fuller, Company B, Debray's Regt., as a Hatter.

I have endeavoured, in vain, to procure suitable Caps or Hats for the Men. They should be now furnished with over 10.000 Wool Hats.

I propose to establish a Hat Factory, in this station, and place Private Fuller in charge. He can get his brother (an expert) and another practical Hatter, to assist him. They will need common Negro Hands to assist, which are easily procurable. The Machinery (a Wool Carding machine is the principal I am wanting) is made. Wool can be procured from the Post Wool Agents. The other materials are all to be got easily. From the data before

me, I am of the opinion that I can make good Work Hats, in large numbers, and at a rapid rate, for not over $3 each. The Committee's price is $4.

Maj. Haynes, A. M., Chf of Bureau of Clothing, Dept T. M., has a Factory of this kind, in successful operation; but it is too far away to supply this Bureau.

Col. DeBray approves of the detail I and under the necessities of the case, I trust the detail will be granted.

I have endeavored to hire Hatters, not in the service, and also to contract with them; but their prices are too exhorbitant & their other terms, as to Details of Soldiers & Engravers, inadmissible

Will you be kind enough to have this acted on, today?

A. A. Genl, Sir,

You will please disapprove any application for Transfer to Cook's Regt. which may be made by Privt. Thos. Gilbert of Co. "E" Delony's Regt. (or by others in his behalf) as he is "absent without leave" But three of the men (Wells, Thomason & Knight) on detailed service and ordered to report to this Command by Special order No. 78, Mar. 18, have yet reported to me at this place.

I respectfully request that the Prov. Marshals of Houston & Galveston be ordered to arrest those who have not reported, I am satisfied that their delay, is for the purpose of getting transfers, or details to avoid service in the Field, which if allowed would operate very much to the prejudice of good order & Military discipline.

Private Thos. Gilbert left this morning without leave taking his saddle & rigging, he was previously "absent without leave" from this Company, he states that Capt. Peter Mackenal had promised to transfer him. If any application has been made by Capt. Mackenal or any other officer, or Approved by them, You will please have them arrested, as Charges will be preferred against them for Conduct to the prejudice of good order & military discipline.
